**Singapore**, 9 June 2020 – KrisEnergy Ltd. (“KrisEnergy” or “the Company”, together with its subsidiaries, the “Group”), an independent upstream oil and gas company, refers to its announcement dated 14 August 2019 in respect of the application filed in the High Court of the Republic of Singapore for a moratorium pursuant to section 211B of the Companies Act (Cap. 50), and its announcements dated 21 August 2019, 22 October 2019 and 20 February 2020 in relation to non-payment of certain financial obligations (collectively, “Announcements”).

As set out in the Announcements, given the financial condition of the Group, it is not feasible for the Company to make all payment(s) of its financial obligations as they fall due. In this connection, while the restructuring process is ongoing, the Company has decided to cease repayment on certain of its financial obligations.

Further to the Announcements, the Company wishes to provide an update that it will not be making payment of the interest payable under the S\$130.0 million 4.0 per cent. senior unsecured notes due 2022 amounting to S\$2,708,160, which is due on 9 June 2020.

The Company will continue to keep its stakeholders updated and will make the appropriate announcements as and when there are any material updates or developments. Shareholders, noteholders and potential investors of the Company are advised to read this announcement and any further announcements by the Company carefully and should exercise caution when dealing in the Company’s securities. Stakeholders and potential investors who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisors.
